### **Graduate Student Award Winners Announcement for the 2018-2019 Academic Year**

**Tuesday, 04/30**

**3:30pm, Wyman Williams Room**

At this event, Dr. Matthew Boylan will announce winners of the following departmental awards:

- \*Outstanding first-year student.
- \*Outstanding first-year ACM student.
- \*Outstanding teaching by a graduate student.
- \*Outstanding graduate student.
- \*George Johnson Fellowships in Computational Mathematics.

The graduate students will also announce the winner of the graduate student peer award.

### **University and Graduate School Fellowships and Awards for the 2018 - 2019 Academic Year**

**Robert Vandermolen** (4th-year student, advisor: Matthew Ballard) has won the Outstanding Graduate Student Teaching Award. Exactly two of these awards are given each year at UofSC: one for teaching in social sciences and the humanities, and one for teaching in STEM fields. For details on this award, see <http://gradschool.sc.edu/students/curr-foundation.asp?page=paying&sub=fe>. Mr. Vandermolen was the STEM winner.

**Alicia Lamarche** (4th-year student, advisor: Matthew Ballard) has won the Dera D. Parkinson Graduate Fellowship, which is one of the Trustee Fellowships available to graduate students each year. For details on these fellowships, see <http://gradschool.sc.edu/students/curr-trustee.asp?page=paying&sub=fe>.

**Zhiyu Wang** (4th-year student, advisor: Lincoln Lu) was selected as one of UofSC's Breakthrough Graduate Scholars by the Office of the Vice President for Research (VPR). For details, see [https://sc.edu/about/offices\\_and\\_divisions/research/internal\\_funding\\_awards/students/btstudentaward.php](https://sc.edu/about/offices_and_divisions/research/internal_funding_awards/students/btstudentaward.php)

Please join Dr. Boylan in congratulating these graduate students!
